FOLI-KO3267-LED

Linear LED Lighting with a simple and efficient design ideal for all interior projects such as hotel, villas, clubs, opera houses, museums, exhibition centres, stores, boutiques, homes, etc.

All linear products are eco -friendly with low energy consumption and excellent thermal management allowing energy savings and longer life.

A recessed box for pre-installation. The body is aluminium alloy with aluminium end caps complete with silicone seal. The optical screen is frosted glass – 6mm thick, delivering soft and smooth light. The fitting is equipped with two nickel-finished brass glands and neoprene cable for daisy-chain connection.
